Somewhere ages and ages hence:
Two roads diverged in a woods, and I--
I took the one less traveled by,
And that has made all the difference."

DEDICATION

We, the members of the 1965 True Blue Annual Staff, dedicate our annual to Miss Margaret Dorwin. We acknowledge and appreciate her untiring work, willingness, and helpfulness. Her encouragement has served as inspiration to many young musicians.

MR. OGLAND

To the Class of 1965

I am happy to have this opportunity to congratulate you, the members of the graduating class, upon the successful completion of your high school work.

If we have done our task well, you will realize that what you have learned in the classroom and in our school community is only the beginning of a process of growth which continue for the rest of your lives.

We hope that you have grown in wisdom and that what you have learned here will enable you to serve your school, your country, and your fellow man.

A. B. Ogland
Superintendent of Schools

MR. HEITING

Students wishing to broaden their background usually seek information beyond the requirements of what is offered in the scholastic curricula and engage in interested extracurricular activities. Possibly the extracurricular activity (but not always recognized as one) that offers a great understanding of world problems, the desire to aid persons in undeveloped countries, the surest way to world peace, and the most lasting and worthwhile efforts to ourselves, is the A.F.S. The American Field Service motto: "Walk together, talk together, O ye peoples of the earth: Then and only then shall ye have peace." sets a pattern for all of us to follow.

A year ago, Marianne Hosch, our foreign student from Germany, spoke in regard to the Berlin Wall and pointed out that there are other kinds of walls to watch, including some that we build ourselves through prejudice. Seniors, as you go out into the world, be watchmen of the walls of world freedom, and be worthy of the power and responsibility that goes with it.

W. H. HEITING
Principal

MR. SMITH

An adequate education is one of the most valuable assets which a human being may possess. As each year passes the increased importance of education becomes more apparent. Financial security and job satisfaction are often closely related to the amount of educational preparation a person has received. While this education seldom comes easily and is never fully complete, it is an asset which can never be taken away from you.

It has been a pleasant experience working with the students at Hudson this year, sharing in their plans for the future and in some of their concerns both large and small. We at Hudson Senior High School hope that each of you will leave with the best possible preparation for your future years.

Richard Smith
Counselor

Mr. Ogland, Mr. Kelly, Dr. Tweet, Mr. Fetzner, Dr. Bryce, and Mr. Ostby.

BOARD OF EDUCATION

The chief administrative body of the Hudson Community School system is the Board of Education.

On behalf of the student body, the True Blue annual staff wishes to express its gratitude to David Kelly, president; James Ostby, clerk; Dr. P. A. Tweet, treasurer; John Fetzner and Dr. Hugh Bryce, directors, for their faithful service and loyalty.

FUTURE TEACHERS OF AMERICA

1964-65 OFFICERS

President--Douglas Anderson
Vice-President--Linda Hayes
Secretary--Carolyn Ross
Treasurer--Margaret Smith
Librarian--Nancy Vier
Adviser--Mr. Ogland

The Future Teachers of America began a successful year with a total membership of sixty-two.

Senior members of the club were permitted to practice teach in the grade school. Those who took advantage of the opportunity were Douglas Anderson, Janice Anderson, Candace Anderson, Karen Asplund, Herbert Carmichael, Mary Jean Hofland, Barbara Lahl, and Kathleen See. This was the largest number of student teachers in the history of the club.

President, Douglas Anderson, frequently asked at the meeting, "Who will sell popcorn at the game Friday night?" This was one of the money-raising projects for the one-hundred-dollar scholarship awarded to a graduating senior going into the teaching profession. Also at meetings student teachers told about their experiences in the grade school.

FIRST ROW: Robert Baker, Dennis Rohl, Niel Josephson, Phillip Trudell, Mark Loughney, Jerry Knott.

FUTURE FARMERS OF AMERICA

"I believe in the future of farming with a faith born not of words, but of deeds. . . " So goes the Creed by which the Future Farmers of America members live both on and off the farm.

The year 1964 was opened by annual Parent and Son Banquet. The parents and the school administration were honored at this time, and the awards for the previous year were presented. The outstanding Senior Award was presented to Charles Garbe, while the award for the outstanding work done in the F.F.A. was presented to Ken Rohl, Sr. Robert Garbe, and George Geis for contributions and time spent for which the F.F.A. is very grateful.

A big project which the F.F.A. took on was one concerning lawn care. The Junior High School lawn was reseeded where needed and was sprayed for weeds to insure a good stand to bring its condition to excellent. The members also sprayed other lawns around the community to squelch the dandelions and other broadleaf weeds.

In June, a state convention held at Green Lake, Wisconsin, was attended by Mr. Carlson, adviser, Mark Loughney, and Philip Trudell as chapter delegates, and John Geis, who received his State Farmer Degree. This award is presented to only two percent of all state F.F.A. members who have done outstanding work in their farm programs.

Several members participated in livestock exhibitions, including the St. Croix County Fair and the Twilight Holstein Bull Meeting. Mark Loughney and Ed Atwood showed animals at the Eau Claire Livestock Exposition.

TRUE BLUE ANNUAL STAFF

Linda Hayes and Debra Melton

Completion of the 1965 yearbook was due to the work and cooperation of the entire True Blue Annual Staff. Feature writers, Linda Bailey and Pamela Johnson, were responsible for the clever captions and several club histories. The senior class history and activities were recorded by Shirley Badman, Barbara Burkholder, Mary (Kit) Charbonneau, Sandra Lamberta, and Patricia Swanson. In charge of sales and finances were business managers, Herbert Carmichael and Lynda Gilbertson, and junior business managers, Susan Krech and Lynn Spielman. Reporting vocal and instrumental music were Cynthia Starr and Jeanette Coleman. Sports pages were edited by James Fina, Christopher Watters, Kemmen (Ed) Atwood, and Carl Strom. Candace Anderson covered forensics. Susan Kieffer and Debra Melton recorded sophomore news. Assistant editors, Linda Hayes and Phyllis Jensen, recorded junior news and arranged faculty pages.

The 1965 True Blue Annual finally went to press after being prepared by typists, Phyllis Couch, Mary Jean Hofland, Alice Kukuska, and Margaret Smith. The final touches were applied by co-editors, Ann Heywood and Catherine Nelson, and adviser, Mrs. Gilbertson, who acted as proofreaders, arrangers, writers, and straw bosses.

GIRLS' ATHLETIC ASSOCIATION

The girls swung into the fall season with softball. The clatter of bats and the smack of the softball were heard every Tuesday until the cool November air drove them inside. November was spent swimming in the Junior High School pool. The winter months brought with them basketball, volleyball, and tumbling. Once more the warm air brought them out-of-doors. Spring was the time for field, track, and soccer. Besides these sports, outside points were earned by bowling, swimming, horse-back riding and hikes.

This year the girls became more skilled in the sports because of a new system set up by the conference for girls' competitive sports. Their section included River Falls, Ellsworth, Spring Valley, and Hudson. The girls competed in basketball, volleyball, and field and track. They had fun and met many new friends.

The Girls' Athletic Association was aided by the adviser, Miss Noreen; and officers, Connie Huston, president; Debby Coulter, vice-president; Lynn Spielman, secretary; and Sandra Appleton, treasurer. Sportheads included Lynn Stendahl, Marilyn Bowell, Carol Chilson, Mary Gander, Maren Hardin, Carol Swenson, and Jane Lee.

ADVISORY TEA

Girls tottering down the hall in high-heeled shoes, boys pulling nervously on the collars of their shirts are symptoms of an annual epidemic, the tea.

Hudson High School's social tea gives students the opportunity to go through a receiving line, to dress in their Sunday best, and to act accordingly.

The Sophomore class was in charge of the tea. They made arrangements for invitations, decorations, refreshments, and music.

This year's tea honored the Hudson Public Library. Included in this honor were librarian, Miss Hosford; assistant librarian, Miss Ethel Cuddlebach; museum attendant, Mrs. Eleanor C. Nelson; and the library board, Mrs. G. E. Bourget, Miss Petra Borge, the Rev. Gerben Van Putten, Mr. Hugh Gwin, Mr. Robert Bauer, Mrs. A. F. Yoerg, and A. B. Ogland.

Due to the faulty film there are no pictures of the tea.

THE COURTSHIP OF EDDIE'S FATHER

Our prompters doubled as stage hands.

Everyone joined in the search for Eddie.

"The Courtship of Eddie's Father" was presented by the Senior Class on Thursday, December 3. The play was directed by Mr. Johnson and student directors, Alice Kukuska and Kathleen Dvorak.

Eddie (Patrick Rawlings) tried to interest his widowed father in Elizabeth Madden, an attractive nurse (Catherine Nelson). Complications set in, when Eddie and his father met Dolly Daly, a beauty queen (Barbara Lahl), and their nosey neighbor, Mrs. Bridges (Marilyn Merkt) who insisted on keeping her eye out for a suitable mate--namely her sister, Loretta, (Susan Lyksett). The housekeeper, Mrs. Masters, (Elizabeth Osborne) took care of the Corbett home, while secretary, Becky Marlowe, (Lynda Gilbertson) took care of the office.

All seemed nearly lost when Tom Corbett (William Workman) almost married the sophisticated office girl, Rita (Linda Bailey). In order to counter this threat Eddie ran away from camp. Camp director, Mr. Shane (Thomas Beer) ordered a searching party. Searchers included Cal (Douglas Anderson) and Harry (Carl Strom). Mike Egan, Eddie's bunkmate (Thomas Sauntry) did his best to help but only told how Eddie showed off for his girlfriend, Helen Ann (Jean Cameron).

Tom Corbett received a phone call that Eddie had been found safe at home with Elizabeth. Among those glad to find Eddie safe were the building superintendent, Mr. Connelly (Herbert Carmichael) and his teacher, Miss Cayton (Margaret Smith).

"All's well that ends well," and it did end well. Dolly met and fell in love with Tom's co-worker, Norm Jones (James Rusch) and Tom and Elizabeth managed to iron out their differences and make a "permanent partnership."

The stagehands learned to move fast, if not silently.

Oh, if looks could kill . . . !

At the end, Elizabeth (Cathy) gets the prize.

Beth and Doug, you've got to learn to smile.

ORGAN DEDICATION

The new Baldwin organ which was presented to the Music Department, was dedicated on November 15. A program was given by the students under the direction of Miss Margaret Dorwin and Mr. Ernest McMillan. Also taking part in the program were Mrs. Edith Sather and Mrs. Harold Walbrandt.

Mr. McMillan, Miss Dorwin, Mr. Ogland, Mrs. Edith Sather, Mrs. Carol Walbrandt.

POP CONCERT

Lights off, curtain up, the festival of music began! Voices, instruments, and beautiful dresses were on display. Of course, it was May 9, 1964, and time for the Pop Concert.

Jim Hutton, from KSTP-TV, was master of ceremonies. The concert began to unfold under the Junior Prom theme, "Fantasy of the Deep," with the band playing BEGUINE FESTIVAL, directed by Ernest McMillan.

The Boys' Glee Club, under the direction of Miss Margaret Dorwin, presented such numbers as "Bells of the Sea," "Home on the Range," and "Tom Dooley." The Girls' Glee Club followed with the SOUND OF MUSIC, "Hear the Sledges," and SHOWBOAT.

The voal ensembles, accompanied by the band, sang selections from THE CARNIVAL OF MELODY.

The Mixed Chorus gave a preview of this year's production of MY FAIR LADY, by singing various selections from the play.

The band closed with the ever-favorite "You'll Never Walk Alone."

CHRISTMAS CONCERT

The mood for the Christmas Concert on Sunday afternoon, December 13, 1964, was set by a pre-concert organ and piano duet by Mrs. Harold Walbrandt and Mrs. D. H. Sather.

The audience felt the spirit of Christmas unfold as the band, under the direction of Ernest McMillan, opened with "The Toy Shop," narrated by Herbert Carmichael, and "A Carol Festival."

The vocal department opened its part of the program with the Boys' Glee Club, under the direction of Miss Margaret Dorwin, singing "Shepherds Awake," "Jesu Bambino," "God Rest You Merrie, Gentlemen," and "Behold That Star," the solo being sung by Greg Sawyer.

The Girls' Glee Club followed with "I Wonder as I Wander," the solo by Barbara Woodruff; a contemporary Christmas song, "No Room," "Rise Up Shepherd," the solo being sung by Judy Ellingstad; and "Glory to God in the Highest."

The ensembles presented their traditional Christmas message by depicting the favorite Christmas carols of foreign lands. The first girls' ensemble sang "Prayer of the Norwegian Child;" the mixed ensemble sang "Carol of the Russian Children." "What Child is This?," a carol of England, was sung by the trio. The boys' sextet sang "Behold, a Branch Is Growing," in German, followed by the triple trio closing with "An Indian Carol."

The Mixed Chorus joined to sing "Mexican Christmas Procession," "Shumm Shei;" the ever-favorite, "The Holly and the Ivy," and "Do You Hear What I Hear?"

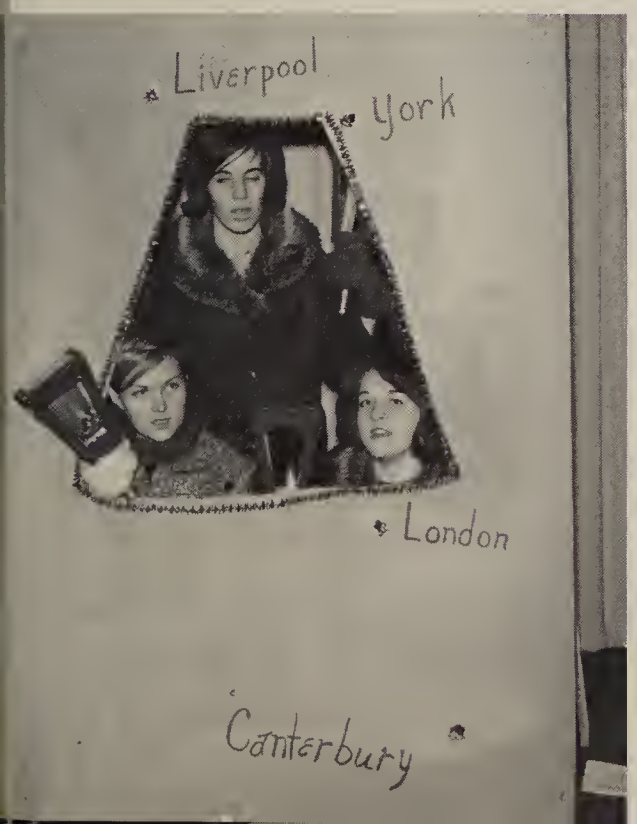
As a grand finale, the vocal groups massed to sing the traditional "Hallelujah Chorus." As the inspiring piece ended, the curtains on the stage opened to reveal the Nativity tableau. Closing on this peaceful theme, the concert instilled the audience with the true meaning of Christmas.

From America, "Indian Carol"

From Germany, "Lo, How a Rose E're Blooming"

From Norway, "The Prayer of the Norwegian Child"

From England, "What Child Is This?"



From Russia, "Carol of the Russian Children"

An Alaskan caribou was just one of the exhibits in the Museum of Natural History.

Everyone had a hearty appetite after a busy day.

BIO-VITA FIELD TRIP

All Aboard for Chicago!

Chinatown, the Planetarium, and Shedd's Aquarium were among the places providing excitement and the special Thanksgiving treat for fifty-five excited members of Mr. Wichmann's Biology Club as they climbed aboard the school bus at 8 P.M. and began their trip to Chicago.

After traveling all night, the club arrived in Chicago at 6:00 A.M. and enjoyed a long awaited breakfast at the YMCA Hotel where they were to stay. There was very little time for sleep in the busy schedule. The sightseeing tour began immediately after breakfast and lasted all day. At the Museum of Science and Industry the students were fascinated by such exhibits as a huge human heart, the world famous Colleen Moore's Fairy Castle, and a trip through a German submarine captured during World War II.

At 4:00 P.M. they reluctantly left this fabulous museum to return to the hotel for supper and some appreciated leisure time.

The second day in Chicago was spent touring the Museum of Natural History, the Planetarium, and Shedd's Aquarium, which were all interesting. Since time was flying, the students hurriedly climbed into the bus and made a quick trip to Chinatown. Each club member spent his last few hours in Chicago exploring the various shops and restaurants of Chinatown, buying souvenirs and sampling chow mein and fried rice. At 7:30 P.M. they said good-bye to Chicago and started on the journey home. The club arrived in Hudson at 5:30 A.M. on Sunday, November 29, everyone a bit tired, but with a wonderful experience and many warm memories behind them.

"A" SQUAD FOOTBALL

Forty-eight football candidates, including thirteen returning lettermen, began practicing two weeks before school opened as Coach Fouks assisted by Coach Kadidlo issued the initial call. Inexperience was the main factor in the pre-season loss to Menomonie. Hudson couldn't make a score and lost 21-0.

Hudson's first win came against Baldwin-Woodville. Arthur Coulter ran 142 yards in ten carries for three touchdowns. The win established Hudson as a high contender for the Middle Border title.

Again the Raiders proved themselves by defeating Glenwood City 32-0. Arthur Coulter running 133 yards in sixteen carries, and David Williamson, making thirteen tackles, proved to be too much for the Hilltoppers.

In the Homecoming game against Colfax the Raiders were penalized 145 yards, but still they managed to win for an enthusiastic crowd.

A record of five wins and no losses didn't seem to scare the Hudson club when they met Spring Valley. William Burke gave his top performance, and Larry Peterson proved he didn't deserve his underrating as quarterback.

A brilliant first half for both teams turned to victory for New Richmond in the second half. It was Hudson's first defeat of the season. Arthur Coulter scored the Raiders' only touchdown for the 6-14 loss.

Hudson handed the Ellsworth Panthers their fourth season loss even though Ellsworth had an early 13-0 lead. Burke and Coulter barreled over the line successfully many times, and Peterson completed most of his passes to David Williamson.

The season ended with River Falls capturing "The Little Brown Jug." Hudson had to settle for third place in the conference.

Co-captain Douglas Anderson, Coach Fouks, Coach Kadidlo, Co-captain William Burke.

HOMECOMING 1964

Send the "Norse to Alaska." This was what everyone at H.H.S. seemed to be demanding on Friday, October 2, when the students of Hudson High welcomed the 1964 Homecoming. The slogan, "Norse to Alaska," submitted by Cathy Nelson, gave the seniors an edge in the trophy race with 5 points. The seniors managed to retain their lead as they were awarded first prizes in the skit, window, and float contests.

On Friday afternoon peals of laughter could be heard coming from the pep assembly where the classes presented their skits. The five queen candidates were Sandra Appleton, Sandra Lamberta, Carolyn Ross, Margaret Smith, and Patricia Swanson.

Homecoming queen of 1963, Jean Lyksett, presented Sandra Appleton with a bouquet of roses and the title of queen. Queen Sandra then officially started the game by giving co-captains William Burke and Douglas Anderson the football. The Hudson Raiders met the Colfax Vikings on the gridiron and fought to a 28-14 victory.

The gala Homecoming dance, where Sandra's coronation took place, marked the climax of the weekend.

The sophomore float showed originality.

Brrr! The juniors made us glad it wasn't HUDSON to Alaska!

The senior float adorned with pretty, 1963 Homecoming Queen Jean Lyksett, took first place.

Our five lovely queen candidates were Sandee Appleton, Sandi Lamberta, Carolyn Ross, Peggy Smith, and Pat Swanson.

Jean Lyksett, 1963 Homecoming queen, crowned Sandee while watchful attendants stood by.

Co-captains Bill Burke and Doug Anderson enjoyed fulfilling their duties!

The queen's court gathered together as the coronation drew to a close.

SECOND ROW: Andrew Turner, Jeffrey Gaynor, Robert Hartmon, William Engstrom, James Bertelsen, Richard Baurenfeind, Erwin Daniels, Edwin Daniels, Kevin Sauntry, Stephen McConaughey, Stephen Guggemos. FIRST ROW: John Stewart, Dave Waldroff, Philip Bourget, Leigh Livermore, Wayne Johnson, Lee Gilbertson, Peter Rothausen, Robert Benoy, Jon (Les) Heffron.

The Squad's first game was a scrimmage with Stillwater which ended in a tie.

The Raiders went on to beat Ellsworth 6-0.

The next game was against River Falls in the rain. The Raiders won 20-0.

Baldwin-Woodville was next to fall before Hudson with a final score of 27-7. Every member of the team got in playing time and valuable experience in the last game of the season.

The only defeat was at the hands of New Richmond with a final score of 14-7.

The most promising members of the team were James Bertelsen at halfback and quarterback; Erwin and Edwin Daniels in the backfield; and linemen Philip Bourget, Lee Livermore, Robert Hartmon, and William Engstrom.

SECOND ROW: Arthur Coulter, James Bertelsen, Steve Majewski, Brent Jensen, Joel Johnson, Bruce Ostenson, Robert Olson, Wayne Johnson, Clifford Bakke, William Burke, David Williamson. FIRST ROW: Michael Young, Douglas Stohlberg, Coach Carver Fouks, James Couch, Bruce Currey, manager.

"A" BASKETBALL

After losing four out of last year's five ball players, it seemed as though this would be a long season for the Raiders. Coach Carver Fouks had a relatively young team with Bill Burke, Bob Olson, and Captain Larry Peterson, who missed part of the season because of health problems, the only seniors on the squad. This didn't seem to bother Coach Fouks though, and he molded a solid team which finished third in the Middle Border Conference behind co-champions New Richmond and River Falls.

The Raiders finished the regular season with a 9-5 conference record and an overall record of 12-6. Their strong point proved to be defense as they set two new records, one for the lowest number of total points allowed (766 points), and the other for the lowest defensive average (54.2 points per game).

In tournament play, the Baldwin-Woodville Blackhawks upset the Raiders with a 60-44 win. For the first time in several years, the Raiders put their uniforms away early.

Since only three seniors will be lost, most of the team will be returning next year and should provide Coach Fouks with some good material.

"B" BASKETBALL

The Hudson "B" Squad, coached by Florian Cassutt, compiled a 12-4 record, and their conference record of 10-3 put them in second place. Only six boys returned from last year's team, Robert Benoy, Jon Heffron, Wayne Johnson, Michael Miller, Daniel Score, and John Weicherding, but they received considerable help from the younger fellows and had a successful season.

The "Bees" started off the season with a 51-47 win over St. Croix Falls. James Bertelsen set the pace with 24 points.

In the next game, at Chippewa Falls, the team suffered their first defeat, 73-61. The Menomonie game ended on a happier note with the "Bees" walking past them with a 48-38 win. James Bertelsen took scoring honors with 18 points.

In the two conference games with Colfax, the "Bees" came out on top both times. The first game ended 38-30 with James Bertelsen hitting 14 points, and the second game's result was 42-35 with Mike Livermore scoring 15 points.

River Falls and Hudson split their games, with each team winning at home. The score at River Falls was 36-35, and the score at Hudson was 43-31. In the second game, Jon Heffron, Mike Livermore, and James Bertelsen hit 12,11, and 10 points.

At Baldwin-Woodville, the Raiders beat the Blackhawks 44-33 with James Bertelsen scoring 18 and Wayne Johnson hitting 14. The second game was very similar with Hudson winning 36-28 with Mike Livermore scoring 10 points.

Hudson handled New Richmond the first time winning 44-33 with Mike Livermore scoring 12 points. At New Richmond, they had a little more trouble but still eked out a 34-33 win.

The games with Ellsworth were split, with each team winning at home. At Hudson the score was 45-39. At Ellsworth, the Raiders were stopped 45-36 and their winning streak was stopped at nine games.

The single game with Spring Valley was won by the Raiders 42-23. Wayne Johnson led the team back to the winning trail with 14 points.

A balanced attack led the Raiders to a 36-31 win over Glenwood City. James Bertelsen and Wayne Johnson led the scoring with 12 and 10 points. In the second meeting, Hudson ran into foul trouble, and they couldn't quite contain the Hilltoppers. The season closed on a losing note of 49-47.

I'M HUNGRY!

The wrestling team, commanded by Captain Phillip Trudell and coached by Jerry House, gave Hudson a thrilling season and the best Hudson has known in wrestling in the sport's short history of seven years.

Seven returning lettermen put a bright glow on the future of the team. They lighted the 5-5-1 all around dual meet record, and the 4-2-1 conference record.

The first tournament for Hudson's grapplers was at River Falls Invitational. The Raiders finished sixth in a field of twenty-four schools. Coming through for Hudson were Phillip Trudell (154) with a second, and Kenneth Wert (133) and John Hopkins (165) with thirds.

The next stop for the Raiders was at Baldwin for the Middle Border Conference Tournament. Hudson finished fourth with 71 points behind Ellsworth, making 104 points for their fourth conference crown, and New Richmond with 75 points. Phillip Trudell (154) and Douglas Anderson (180) took home individual championships, while Kenneth Wert (133) and Richard Lamkin (Hwt.) took seconds. Also, Bradley Drost (95), Stephen Guggemos (103), and John Hopkins (165) took thirds.

Four wrestlers returned from Regional, which was held at Ellsworth, with the right to go on to the Sectional. They were Trudell (154), Wert (133), Hopkins (165), and Lamkin (Hwt.). The four boys were eliminated by the Sectional champions early in the meet.

BASEBALL

Coach Florian Cassutt opened the 1964 baseball season with seven returning lettermen, and high hopes for a good season. The Raiders were a young team, but most of the boys had been playing ball for several years and were well experienced.

The season started at St. Paul Park where the Raiders dropped a 9-5 decision to the hard-hitting Indians. Hudson won its next three games easily and ran their record to 3-1. First they swamped Spring Valley by a score of 14-0 in a game which was decided in the first inning when the Raiders scored nine times. At River Falls, the score was tied 3-3 going into the last inning, but the Raiders came up with three runs and then held off the Wildcats for a 6-3 win. The following day, the Raiders walloped the Glenwood City Hilltoppers 17-4. After losing several key players, Hudson also lost their first conference game to Baldwin-Woodville. Neither team scored until the Blackhawks tallied in the last of the ninth to give them a 1-0 victory. The Raiders split their last two games, losing by one run to Ellsworth, and beating River Falls for the second time.

In tournament play, Hudson edged Prescott 6-4 but then was walloped 14-1 by New Richmond. The Raiders finished the season with a 5-4 record, and a second place finish in the Middle Border. With twelve returning lettermen, baseball seems to have a bright future in Hudson.

TRACK

Hudson's 1964 track season started February 24, as twenty ambitious boys, captained by John Linehan, reported to Coach Don Kadidlo. Four were returning lettermen.

The first big meet was the Hastings-Hudson-Stillwater Triangular where the inexperienced Raiders took third place. Jack Linehan placed first in the high hurdles, second in the low hurdles, and third in the high jump. The 880-relay team, Fred Mangine, Greg Sawyer, Art Coulter, and Jim Rusch took second place. Greg Sawyer took fourth in the 220. Jim Rusch took second in the 440, while Art Coulter took third.

The "Thinclads" took second place in a field of twenty-four schools at the River Falls Invitational. Taking honors for Hudson were Linehan with first in both the high and low hurdles; Rusch, first in the 440; and the 880-relay team, third. Hudson did not place at the Bloomington Track-O-Rama.

The Conference tournament was held for the first time on Hudson's new track. Rusch took first in the 440; Linehan took firsts in the low and high hurdles and the high jump. Sawyer took third in the 100-yard dash, and the 880-relay team took fourth. Hudson finished fourth behind the leader Spring Valley.

The Sectional was also held in Hudson. The team finished second behind Amery. Linehan again took firsts in the high and low hurdles and high jump. Rusch took first in the 440 while the 880-relay also took first. These boys had the privilege of participating in the state meet.

The state meet, at Monona Grove, offered stiff competition for the remaining Raiders. John Linehan took second in the high hurdles, fourth in the low hurdles, and fifth in the high jump. He set a record for the high hurdles in the semi-finals, but lost in the finals at an even better time. Rusch and the members of the relay team did not place.

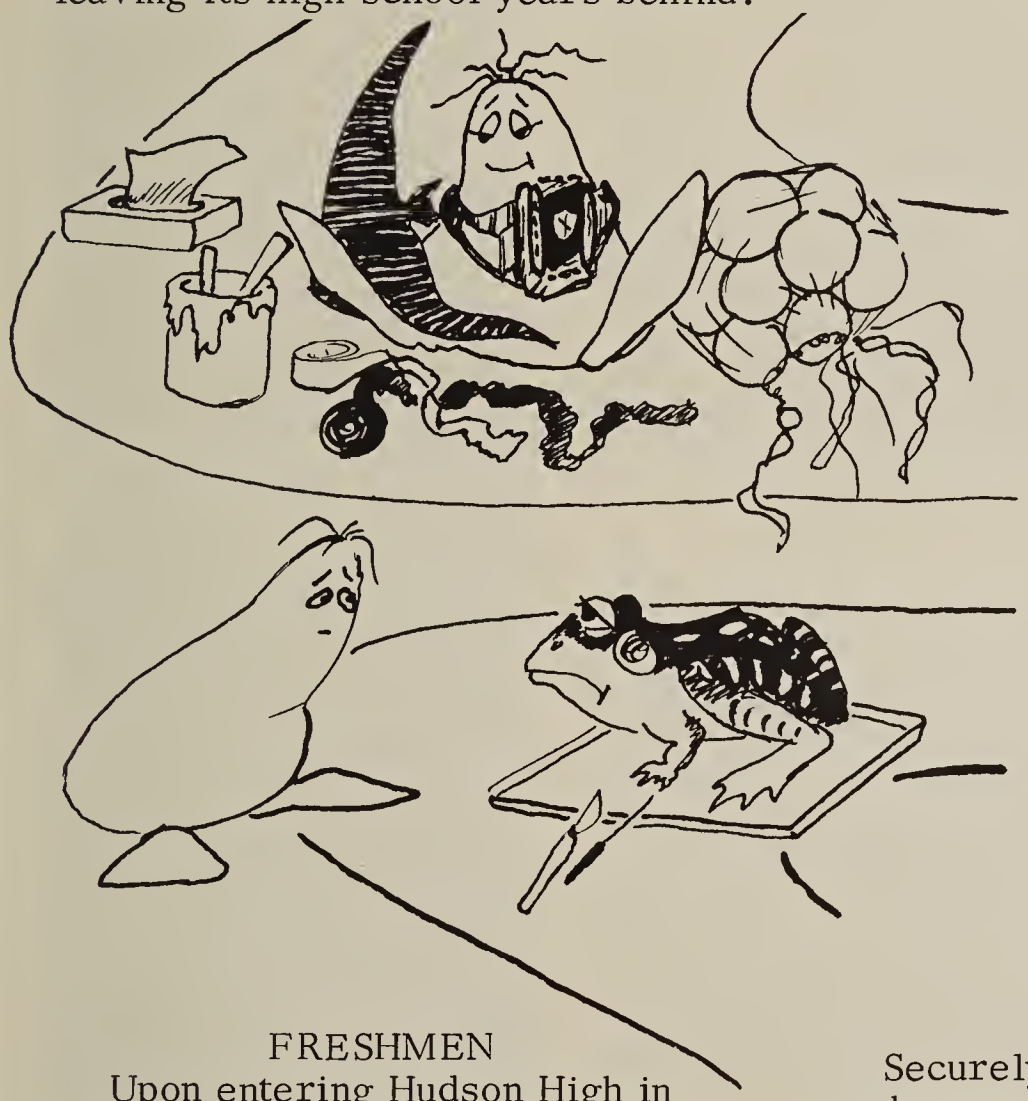
SENIORS

As seniors we were well on our way to bigger and better things. The Homecoming trophy became ours for the second year in a row. The class play was "The Courtship of Eddie's Father." With this out of the way our next big project was senior research themes. Our success as seniors came through the leadership of Walter Anderson, Larry Peterson, Marilyn Merkt, Patricia Swanson and Thomas Beer, who were advised by Mr. Hutchison and Mrs. Qualls.

As the excitement of graduation filled the auditorium on May 27, 1965, we realized that we had not come to an end of the road, but a beginning as the class of 1965 branched off, leaving its high school years behind.



FRESHMEN

Upon entering Hudson High in the fall of 1961, we took the first step on the road to recognition. The first few weeks were ones of awe and excitement, but with the guidance of Mr. Hutchison and Mrs. Sullivan and the leadership of Walter Anderson, Margaret Meeker, Thomas Klund, Alice Kukuska, and Sandra Lamberta we gained footing and presented a successful dance entitled "Peppermint Twist." With the help of Mr. Schumacher, we began looking toward the future by writing vocational themes in civics.

JUNIORS

It seemed to be quite a large step between our sophomore and junior years. We were now upper classmen and assumed the responsibility of ordering class rings and choosing a prom theme. We all worked hard at molding fish and building the cave, all which made our "Fantasy of the Deep" a huge success. In U.S. history, students learned about W.W. II and life in the army from Mr. Cassutt. Douglas Anderson, Walter Anderson, Patricia Swanson, Alice Kukuska, and Samuel Lamberta worked with Mr. Hutchison and Mr. Voelker to make this year one to remember.

SOPHOMORES

Securely on our way we continued on to our sophomore year. With the dissecting of frogs in biology and "A Tale of Two Cities" in English, we kept busy. Catherine Nelson, William Burke, Patricia Swanson, Thomas Klund, Alice Kukuska and Patrick Laughnan led the way with the help of Mr. Hutchison and Mr. Eisele.

PAST AND PRESENT SENIOR CANDIDS

The American Legion Auxiliary annually sponsors Girls' State in all states plus Washington, D.C., and the Panama Canal Zone. This year, Hudson was represented by Alice Kukuska. She and 452 other girls set up a mythical state, which exemplified the bipartisan system.

Although the program of Girls' State is not political in its functions, the two parties, the Nationalists and the Federalists, help the girls become better prepared for their responsibilities as good citizens.

The girls elected officers, and Alice was elected alderman from her city. They also attended lectures on citizenship, and state, county, and city governments.

Alice's trip to Badger Girls' State was made possible by the Hudson chapter of the Parent Teacher Association.

"At Badger Girls' State," Alice said, "the importance of faith was stressed to me. As future citizens and leaders in our nation, we must develop a deep and lasting faith in ourselves, our fellowmen, our country, and our God. 'To have faith is to have wings. That's why birds can fly and we cannot'."

BADGER GIRLS' STATE

BADGER BOYS' STATE

June 13-20, 1964, at Ripon, Wisconsin, the twenty-third session of Badger Boys' State was held. Douglas Anderson was the Hudson representative to this program. The purpose of Badger Boys' State is to give its participants a better understanding of how the government works and the duties and problems of its elective officials. The education of youth today as well as the privileges of being a citizen of the United States were stressed.

A typical day in Ripon included listening to lectures, attending party conventions and caucuses, and practicing the obligations and duties of government officials.

The Hudson chapter of the Parent Teacher Association paid Doug's expenses for the week.

While at Boys' State, Douglas held the offices of city clerk, county supervisor, and county surveyor. He was also city party chairman for the Nationalist party.

"Badger Boys' State emphasized friendship, education, and dedication of the citizens. I feel the ideals of Boys' State can be summed up in this quote from the first edition of the BADGER BUGLE: 'Intelligent, well-informed, and dedicated citizenry is our only guarantee of good government in a democracy'."

REPRESENTATIVE SENIOR

A democratic and ambitious spirit, leadership, cooperation, loyalty, character, high moral principles, and scholarship are among the worthwhile characteristics which a high school senior should possess. Considering these qualities, the faculty chose Douglas Anderson the representative senior for 1965.

Douglas represented Hudson High School at Boys' State last year. He has been all-school president, class president, president of Future Teachers of America, and football co-captain. He participated in wrestling and football all four years and was a member of the track team for three years. He has been an active member of several committees and clubs. He has also been a capable student.

Douglas is a well adjusted young man and is a credit to his school. The faculty is pleased to present the award to Douglas Anderson, who has been a loyal supporter of the finest ideals of the student body of Hudson High School.

D.A.R. AWARD

Recognizing the importance of good citizenship in young people, the National Society of the Daughters of the American Revolution since 1935 has sponsored the D.A.R. Good Citizenship award.

Hudson High School has selected its most outstanding senior citizen, Catherine Nelson, as its candidate for the 1965 state Contest.

Catherine has been co-editor of the 1965 yearbook, president of band, sophomore class president, and has been an active member of various all-school committees, as well as an advisory officer for three years. She has participated in vocal groups and received the lead in "My Fair Lady." Catherine took part in forensics and was a member of the Girl Scouts of America. She is loyal to her family, community, church, school, and friends.

Because she possesses the highest qualities of good citizenship, the faculty presents the D.A.R. Good Citizenship Award of 1965 to Catherine Nelson.

FORENSICS

"Look directly at the audience. You're emphasizing the wrong word!" These remarks were heard more than once by the twenty-one hard-working forensics students as they prepared for the first contest March 8. The final goal of everyone was the state contest in Madison April 10. Again the Hudson students proved their outstanding abilities in the field of speech.

Barb Woodruff, Kathy Dvorak, Poetry Reading.

John Bauernfeind, Karen Grunke, Declamation.

Barb Lahl, Alice Kukuska, Non-original Oratory.

Ricardo Cavalcanti

Ricardo Cavalcanti, Hudson's American Field Service student for the 1964-65 school year, came from Recife, Brazil, and arrived in Hudson on August 23, 1964. Rich, as he was known to his friends, began the year at the home of Dr. and Mr. George Hopkins. Living in a family with five boys, Jerry, John, Bill, Tom, and Joe, was a relatively easy adjustment for Rick to make since he came from a family of four boys in Recife. Later in the year he moved to the home of Mr. and Mrs. Everett Rusch where he acquired another brother, Jim, and a sister, Mary Jane. Rick marvelled at the fast pace of American life and learned that snow is not stones. He would like to thank the people of Hudson for making his stay possible and would enjoy hearing from them. His address is
Ricardo Cavalcanti,
Rua Rodrigues Sette

Recife, Bernambuco, Brazil

James Rusch left Metropolitan Airport on June 15, 1964, to spend a summer in the Philippines as Hudson's American Field Service representative. Before arriving at his home in Plaridel, Quezon, Jim visited Hawaii, Guam, Manila, and Singapore. Jim and his family, Mr. and Mrs. Jose Vergara and Rolando, Plaridel, Rodante, Gregario, Arthur, and Josephina lived in a two story house made of concrete and Filipino wood. Some of the foods Jim "enjoyed" were boiled rice, fried chicken and pork, fried fish (head and all), pigs' blood, cold fried eggs, and the international standard--coke. Many of Jim's days were spent swimming, bowling, and playing basketball and MAH JONG. Some of the highlights of his stay were a birthday party held in his honor, attending the school in Plaridel, and dancing with Miss Market, a beauty queen. Jim is especially grateful to all the teachers and Hudsonites who made his unforgetable trip possible.
